REIG JOFRE ANNOUNCES THE START OF COVERAGE THROUGH THREE EQUITY RESEARCH REPORTS

- To provide investors a better knowledge of the company, the sector in which it operates and the capital markets, Reig Jofre informs on the start of coverage through three advisory reports on RJF expected return and a detailed analysis of the company

Barcelona (Spain), June 21, 2018. The pharmaceutical company Reig Jofre announces the start of coverage of its RJF value through three equity research reports by three renowned equity research firms.

Intermoney Valores SV is the Investment Services arm of the CIMD Group, specialized in providing institutional and professional clients the access to fixed income and equity markets. Intermoney Valores issued an independent (non-sponsored) research with the recommendation to buy and established the target price of € 3.3 per share.

Solventis, an independent financial group founded by a team of professionals with backgrounds in different areas of the investment banking sector, issued a sponsored research with a target price of € 3.15 per share.

Bankinter Securities, the bank's securities firm, established the target price per share at € 3.30 in its sponsored research. Bankinter Securities offer its partners and institutional investors access to a wide financial services range, both domestically and internationally.

The equity research reports issued by Solventis (Spanish version) and Bankinter (English version) are available on the investors section of the Company's website: <http://www.reigjofre.com/en/investors/analysts-covering-the-stock>
